**LETTER OF RECOMMENDATION**

I am Prof. Karan P. Bhatt working with the Department of Computer Engineering – Vishwakarma Government Engineering College, Chandkheda. I am delighted to provide this letter of recommendation in support of \_\_\_\_\_ application for admission to your esteemed institution for his advanced studies. Over the course of the past 3.5 years, I have had the privilege of knowing him as an undergraduate student at Vishwakarma Government Engineering College where I was his subject tutor for Principles of Economics and Management in 4<sup>th</sup> semester, Analysis and Design of Algorithms in 5<sup>th</sup> semester, and Compiler design in 7<sup>th</sup> semester. During this period, I observed his outstanding problem-solving skills and profound technical knowledge. He is an attentive student in class and asks a lot of questions.

I must praise his distinctive technical insights and his creative problem-solving skills. What sets him apart is his open-mindedness and willingness to listen to others, making him a versatile and attentive learner. Furthermore, he demonstrates an engaging personality and a keen interest in technical subjects. He excels at grasping complex technical concepts with ease.

Moreover, He has worked on a Canteen Management System in order to provide a solution for hostel canteen to overcome problem of dealing with bulk of orders during rush hours, by enabling online order and payment system using MERN stack (MongoDB for database management, ExpressJs for server side framework, ReactJs for front end, and NodeJs for server setup) and paytm api. He is always punctual and serious about his work, as he never used to compromise his learning in any situation. I believe his passion for learning will definitely allow him to reach new heights in his future and wishb him all the success.

Overall, \_\_\_\_\_ is a hardworking individual and would truly be an imperative addition to your prestigious institution. Please feel free hesitate to contact me for any further information.

Regards,

  
Asstt. Professor  
Computer Engg. Deptt  
Vishwakarma Govt. Engg. College  
Chandkheda, Ahmedabad
