Letter of Recommendation

I am very pleased to recommend _____ with enrollment number 150620106001 for higher studies. _____ was selected to our institute for Bachelor of Engineering civil engineering during the academic session 2016-2020. He has successfully completed a Four years' bachelor degree in civil engineering. As an assistant professor of Department of civil engineering, Gujarat institute of technical studies moyad,prantij, Gujarat technological university, I have closely monitored his activities during four years of academic sessions.

_____ is an academically focused student and is one of those bright students whose benchmarking performance makes them distinct. He demonstrates an attention to detail and an ability to integrate material to create larger frameworks for discussion. He had always been well prepared and curious to learn beyond curriculum that showed his zeal for learning these subjects in depth. I remember him as a self-motivated, hard and smart working student.

He has excellent communication skills and these were evident during his involvement in technical discussions and oral presentations. His clarity in speech and concepts were remarkable. He actively participated in extracurricular activities and volunteer works like organizing annual college functions, conferences and sports days.

_____ has excellent academic records with broad vision for the science and I think these are essential parameters to get success. His confidence and hardworking attitude with novel thinking approach will help him to cope up with today's fast developing technology world. I hope that your world class training will help him to develop multidisciplinary scientific skills those finally will contribute in Science and innovation, research and development for betterment of mankind. Hence, I strongly recommend Mr. Ankur to enroll in your esteemed University for higher studies. If you need any further elaboration, feel free to contact me.

Sincerely

Assistant Professor,
