Recommendation Letter

I am very much delighted to issue this letter of recommendation in favor of _____ for his further admission into higher education studies at your renowned university. He is well known to me since his early days at our college. During my personal interactions with him, I have assessed his academic as well as administrative qualities.

His high initiative, enthusiasm and motivational approach are fairly praiseworthy. He has always proved out to be kind and helpful to all the students as well as the staff members. I am very confident that his sincerity added to his perseverance and great potential would enable him to contribute his further studies at your university.

Taking his overall performance into consideration, I strongly believe that he is efficient of pursuing the higher education at your renowned university. Hope you would endorse his induction with substantial fiscal assistance.

I wish him success for the future endeavors.
